

The Kootneeti brings you a 2-day Workshop on Analytical Writing and Public Speaking. Led by Amrita Dhillon and Niranjana Marjani, this Online Workshop is designed for non-native English speakers who are interested in developing the skills needed for a career in Analytical Writing & Public Speaking in the domain of International Relations.

In this Workshop, you will explore print and digital media through an interactive session, while expanding your vocabulary and increasing your ability to read, research, and develop local and global news stories. Session 1 will provide an introduction to Analytical Writing, where you will learn how to draft an article, and where to pitch the article. In Session 2, you will learn how to research, build your vocabulary, and how to speak at forums.

Both the sessions will focus on the language needed to write newspaper and magazine articles, and speak at public forums.

At the end of the workshop, you will analyze the growth, impact, and challenges to overcome.
